Newport P2P and Don Burns continue to have online registration through Club Assistant. New event host wants to grow the swims, possibly have them catered next year with local eateries!

I have secured many donations this year of open water racing products for event hosts to hand out at races.

***** NEW THIS YEAR*** Certified Safety Directors** are required at all USMS-sanctioned Open Water events. To become a Certified Safety Director you can complete this module, taken the test, and the certification is good for three years. Please encourage anyone who wants to do this!
