I attended the UCLA Meet on 6/11 good turnout of swimmers. Several swimmers commented that UCLA needed more timers and less delays getting started. Did not see deck marshal on deep end side of pool; I stopped 2 swimmers who were in the process of diving off the blocks at other end of pool in non-dive lane during warm up.

Conejo Valley Masters is working on a one day meet Sunday July 23, in conjunction with CSSC age group team. Time trial format.

I will be attending the Santa Barbara Swim Meet, USA Masters Games & SPMS Regional Championships, CVMM one day meet 7/23/2017 time trial format and World Championships in Budapest.

CVMM is offering any unattached swimmers to join us for World Championships so they have a team to sit with and if they want to attach to CVMM for worlds they will have an opportunity to swim on relays. CVMM is also inviting those swimmers to attend some team weekend taper workouts prior to Worlds. Contact Coach Reno.
