

Top Ten Report - January 2021

Since October,

- Completed and posted SPMS Top 10 all time SCY relay
- About 75% done with SPMS Top 10 all time SCM relay
- Have started SPMS Top 10 all time LCM relay

Made SCM end-of-season report to National. SPMS hosted no SCM meets for 2020 and no swimmers/teams reported attending out-of-LCMS or international SCM meets. If anyone did, and hasn't reported it, I have to have the information to National by January 25.

There were no meets to add to the database for SPMS since October.
