

## **Top Ten Report - June 2021**

Since April,

The new SPMS LCM All-Time Relay Top 10 report is now available on the SPMS website.

The SPMS Relay Records (by Age Group and by Event) are now available on the SPMS website.

Added May MVN Intrasquad SCY Meets to the National database.

SCY season is completed; the SPMS submission for T10 for individual and relay swims was submitted to National.

I am working on the annual update of SPMS Individual and Relay all time T10 reports including the 2021 SCY season times.
