

SPMS Finance Committee Report, August 2022

1. The following grant requests have been received and pre-approved by the Finance Committee (see below for application details)
 - a. La Mirada Armada Masters: \$1500 to start an ALTS program. Restrictions and recommendations include
 - i. Use budgeted scholarship funding to pay for registration
 - ii. No equipment purchases
 - iii. Work with other clubs in SPMS with ALTS programs and learn about national grants and how to sustain programs in the future
 - b. Santa Barbara Masters: \$500 to reimburse members for ALTS and Level 3 certification travel
 - c. Different Strokes Swim Team: \$1500 to cover lane rental at the new pool
 - d. Mission Viejo Nadadores: \$1500 to cover awards for the 2022 SW Zone Meet
2. There will be an open Finance Committee Meeting on August 29th, at 6:30pm . Please **PRE-REGISTER** for the meeting here:

Mission Viejo Nadadores	Mark Moore	\$1,500	Swim Meet Support (hosting)	Monies will go to towards the cost of awards for the 2022 SW Zone meet
La Mirada Armada Masters Swim Team	Tony Dual	\$1,500	ALTS Support (certification, etc)	My reason for requesting the grant is to grow my Masters Swim Team. My goal is to reach more swimmers and educate those swimmers on the benefits Masters Swimming can provide them. This grant from Southern Pacific Masters Swimming will aide in me reaching my goal. Specifically, I would like to begin a US Masters Swimming Adult Learn to Swim program. My first step is to become a certified Adult Learn to Swim instructor, and to do this will require travel to the next available Instructor Certification Course in September. Additionally, the funds will be used to secure pool time and pay for marketing materials to promote an ALTS event at my facility. My hopes are that the event will be successful and inspire our facility to host future events. By getting the ALTS program started I am planning to apply for a 2023 ALTS grant through USA Swimming. With any funds left, I would like to purchase a voice amplifier and a whiteboard for daily training.

SPMS Finance Committee Report, August 2022

Santa Barbara Masters	Arlette Godges	\$500.-	Coaching Support (instruction, etc)	Santa Barbara Masters went thru a coaching change as of April 1, 2022. I am now very involved in picking up any of the 11 practices/weeks, 1 stroke clinic /month and setting up an ALTS program which is much needed in Santa Barbara. I attended the May Coach 3 and ALTS education in Chicago, as no other Coach 3 Certifications are on the schedule (as of yet) for this year. I funded the hotel and the flight, but feel it is appropriate to ask for reimbursement for half of this cost. My expenses were flight (\$480), hotel (\$560) and meals (\$100) at \$1140.-I am asking for \$500 to offset my cost. Thank you.
Different Strokes Swim Team	Denis Matveev	2000	Pool lanes rental	The purpose of the funding is to cover 1 month's rent of lanes at Kroc Salvation Army and Coronado BBMAC pools for 21 regular practices.
